Mrs. Kaasgaaren,

I've recently heard about your OOID-project. Since I'm a diabetic, and also a computerized person, I'd love to take part in the project. So hereby I'd like to order a loginname and a password.

There's only one question to which I can't find an answer, and that is:
Is there an English version of your website?
Since I'm an Italian man and I don't speak much Dutch right now, I can't handle any Dutch sites or texts yet without any help from my friends or colleagues.

I'd be very pleased if you can help me with that.

Best regards,

Eros Vandezotti
